

DIAMOND R GUEST RANCH

RESERVATION & PAYMENT POLICY

RESERVATIONS AND PAYMENT POLICY

The Diamond R is different from many other hunting lodges due to the fact that we limit the number of hunters to no more than 6, often only 4 on each hunt. Demand has consistently been high but occasionally someone needs to cancel their reservation. If we are notified of this early enough we frequently have people waiting to fill the spot. There is nothing more frustrating then having an opening and not being able to offer it to an eager hunter simply because the licensing deadline has past. This situation has made it necessary to implement the following reservation and payment policy as of December 1, 2005.

1. Your spot is not guaranteed until we have received the following minimum deposit:
 - Spring bear hunts \$500.00 per hunter
 - Elk/Deer hunts \$1000.00 per hunter
2. The remaining balance of the hunt fee must be received in guaranteed funds at least 60 days prior to your date of arrival.
3. All hunt payments are non-refundable unless we are able to resell the hunt for it's full current price.*

EXAMPLE

02/03/07—booked elk hunt for 11/01/09 costing \$3800.00,
deposit of \$1000.00 made to guarantee the spot

09/01/09—mailed cashiers/certified check or money order of \$2800.00 to pay balance in
in full 60 days prior to the hunt

Failure to provide payments as specified entitles us to sell that hunt without further notice.

*We never wish to see a hunter forfeit their reservation. If there is any reason that you can not make the payments as per this schedule but wish to keep your reservation please contact us immediately to see if something else can be arranged.

If you need to change your reservation to a future year you will need to pay the current price for the new hunt chosen. Your initial deposit can be applied to the cost of the new reservation only if we are able to sell the spot you are vacating for it's full current price.
